

JOB DESCRIPTION

Southern Therapy Services, Inc./FYZICAL, seeks an Occupational Therapist for a full-time position within our hospital-system contract (Acute Care) in Carrollton, GA. The ideal candidate will possess a positive, courteous attitude and take the initiative to go above and beyond what is expected in a teamwork environment.

We are a leading provider of rehabilitation services in the West Georgia area. With 45+ years of experience, we are a values-driven, therapist-owned organization seeking to provide the highest caliber of rehabilitation services possible. From sports medicine and orthopedics to vestibular and balance, we are the company to accelerate your professional growth. We are a proud franchise member of FYZICAL Therapy and Balance Centers; this allows for specialty training, including orthopedic and balance certification pathways. Outside our outpatient clinics, our organization plays a significant role in our community through our school and hospital contract services.

When you join our team, you will enjoy an incredible career opportunity, competitive compensation, and a comprehensive benefits package that includes:

- HEALTH, DENTAL, & VISION INSURANCE
- LIFE INSURANCE
- SHORT/LONG-TERM DISABILITY
- 401K (WITH MATCH)
- GENEROUS VACATION DAYS WITH PTO ACCRUAL
- FREE CONTINUING EDUCATION OPPORTUNITIES
- MENTORSHIP PROGRAM, AND MORE!

JOB SUMMARY

The Occupational Therapist will provide diagnostic evaluations and treatment to assigned patients, and help patients reach maximum performance level and to use skills learned to the fullest to function in the community within the limits of their capabilities.

Supervises certified occupational therapy assistant, occupational therapy aide, and students in patient treatment.

Provides patient care in accordance with established protocols and patient care guidelines.

Responsible for timely documentation within the Epic EHR system, including but not limited to daily notes, progress reports, discharge summaries, etc.

Consults with members of therapy staff and other hospital team members to exchange, discuss, and evaluate patient information for planning, modifying, and coordinating treatment programs.

Maintains confidentiality.

Other duties may be assigned.

QUALIFICATIONS

Completion of a Bachelor of Science, Master's Degree in Occupational Therapy from an accredited academic program.

Must have an active Georgia Physical Therapy License or eligible for licensure in the state of Georgia.

BLS/CPR by the American Heart Association or Red Cross.

New graduates welcome to apply!
