We are a proud franchise member of FYZICAL Therapy and Balance Centers, allowing specialty training, including orthopedic and balance certification pathways.

When you join our team, you will enjoy an incredible career opportunity and comprehensive benefits package which includes:

- COMPETITIVE SALARY
- HEALTH, DENTAL, & VISION
- LIFE INSURANCE
- SHORT/LONG TERM DISABILITY
- 401K (WITH MATCH)
- GENEROUS VACATION DAYS WITH PTO ACCRUAL
- FREE CONTINUING EDUCATION OPPORTUNITIES
- MENTORSHIP PROGRAM, AND MORE!

JOB SUMMARY

Provides direct patient care, evaluates functional needs and outcomes, and consults with other specialists to ensure the optimal level of physical independence.

Responsible for the overall management of an assigned caseload within a geographic territory.

Conducts physical therapy evaluations, modalities, and treatments to restore function, relieve pain and prevent disability following illness or injury within defined standards of care.

Responsible for timely documentation within the Epic EMR system, including but not limited to evaluations, daily notes, progress reports, discharge summaries, etc.

Develops and implements a patient-centered plan of care with measurable goals and outcomes, taking into consideration the goals and preferences of the patient and including the patient's legal or patient-selected representative, if any, when appropriate.

Practices in compliance with professional knowledge and standards of clinical practice and in accordance with policies and procedures of the agency, laws, and regulations of Medicare, Medicaid, and other third-party payers.

Practices hospital and departmental policies and procedures, objectives, quality improvement programs, safety, environmental, and infection control standards.

Accurately documents care provided in accordance with law, regulation, and agency policy to protect the agency's financial resources.

The candidate may complete unit/department-specific duties and expectations outlined in department documents.

REQUIREMENTS:

Completion of a Bachelor of Science, Master's Degree or Doctorate in Physical Therapy from an accredited academic program.

Must have an active Georgia Physical Therapy License or eligible for licensure in the state of Georgia.

BLS/CPR by the American Heart Association.

New graduates welcome to apply!
